April 2021 Public Works Report  
Melissa May

-I'm keeping an eye on the flooding issues at Loretta and Shelby. DPW doesn't consider standing water to be an issue unless it is still present 24 hours after a rainfall. That's when I can report the issue via the Mayor's Action Line.

-6 burned out street lamps have been reported to IPL/AES to be replaced.

-I've followed up with Chris regarding the street sign repair at Banta and Homestead, the replacement of the missing stop sign toppers, and the estimate for cleaning the welcome sign on Shelby. Once I hear back about these issues, then I'll add requests for repairing the pot holes in town.

**4.29.21 Report to Town Council - Susan Fleck - Special Projects**

- Spoke with Jamie Holmes, Homecroft art teacher, about featuring her student's work in Homecroft Newsletter. Also discussed having kids art sale at shelter.
- Proctored Chief of Police interviews on April 10, 2021.
- Interview Chief candidates on April 27 and 28.
