Orinoco Improvements Project

- Work along Orinoco is almost done! Orinoco from Loretta to Southview, excluding the intersection at Maynard, has been redone in order to repair the current road and to guide water to the storm drains instead of sitting on the roads. In addition, improvements have been made to the sidewalks at the intersection of Orinoco and Southview to be ADA-compliant and to provide a safer crossing at the intersection.
- Finishing work, including grading along the edges of the road, will be completed soon.

Streetlamps in town that are not working properly have been reported for repairs.

7.31.2025 Report to Town Council - Susan Fleck - Special Projects

- **Town Garage Sale and Concert** - Over and both affected by the weather, but mostly low attendance with the sale. Concert went well. A little rain. SmashDaddy Burgers sold out of food. Aw'Sum Snoballs was thrilled with their profit. The hibachi group did OK but not sure they will want to come back. Prices for meals were high. Mocha Nut was gracious but as we thought did not sell much. Joystream Mobil made a but less than last year. Some people bought coolers. **Let's discuss. Also want another food vendor. Tenberloins for Bryan or pizza.**

- **National Night Out** - Coming up next Tuesday. At this point Angela says she doesn't need help. But will that day.

- **Pumpkin Painting** - October 25. **Can the police secure pumpkins again?**

- **Santa Visit** - Date? Dec 06, 2025

- **Trivia Night** - Have been talking with Marnie at Mocha Nut about renting out their shop. **November? Thoughts?**

Movie Night - Friday - Aug 22, 2025 (6:00pm - 10:00pm)

Trivia Night - Thursday Nov 5 or 12

Police Liaison Report to the Homecroft Town Council
June 2025 for the July 31, 2025 Council Meeting

13 members of the Homecroft Police Department contributed 376 cumulative hours protecting and serving the residents and visitors of Homecroft in June 2025.

While patrolling 3,578 miles, officers wrote 55 town ordinance tickets (19 state tickets) and issued 67 written or verbal warnings. Their enforcement efforts resulted in 31 vehicles being towed, and 4 physical arrests. 35 stops were because of lead information from the FLOCK system. They oversaw 103 calls for service and assisted with 43 other calls for service. Officers completed 7 incident reports and 7 crash investigations.

Training in June was once again handled via the PoliceOne online training application and consisted of four hours of training.

We must steadfastly continue to be vigilant, highly visible, leverage available technologies, strengthen partnerships, and prepare our officers with the best training & equipment possible to respond to and abate violence in and near our town.
