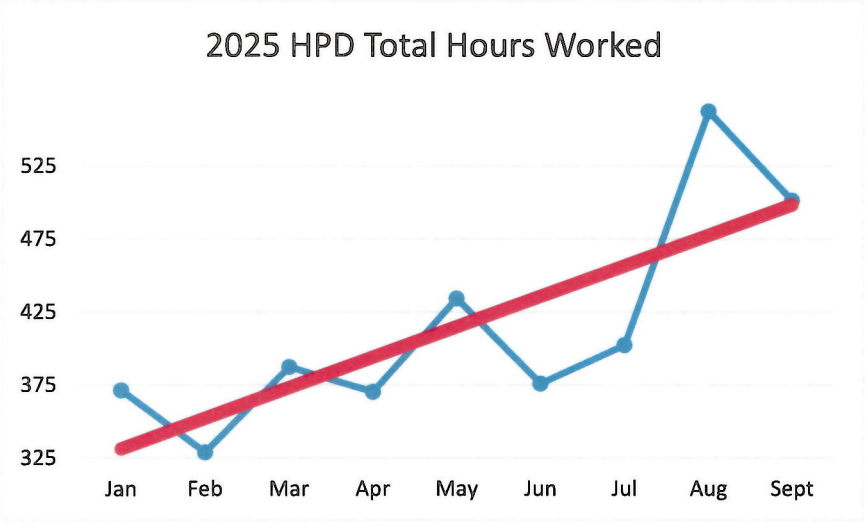
Police Liaison Report to the Homecroft Town Council
September 2025 for the October 23, 2025 Council Meeting

15 members of the Homecroft Police Department contributed 501 cumulative hours protecting and serving the residents and visitors of Homecroft in September 2025.

While patrolling 4,100 miles, officers wrote 68 town ordinance tickets (55 state tickets) and issued 89 written or verbal warnings. Their enforcement efforts resulted in 29 vehicles being towed, and 4 physical arrests. 74 stops were generated because of lead information from the FLOCK system. They oversaw 110 calls for service and assisted with 40 other calls for service. Officers completed 8 incident reports and 7 crash investigations.

HPD held two training dates in September 2025; the first session included Criminal Law, Traffic Law, and Case Law Review with open discussion on scenarios. The second session consisted of rifle qualification and tear-down cleaning.

We must steadfastly continue to be vigilant, highly visible, leverage available technologies, strengthen partnerships, and prepare our officers with the best training & equipment possible to respond to and abate violence in and near our town.



Respectfully Submitted,

Bryan Wolfe
